

## iClass Pro – Notify Absence from Classes

Makeup bookings can only be redeemed **after the date** of the notified absence.

An absence must be lodged with the date past first before a makeup booking can be made.

Click on Account at the foot of the page. Select your relevant swimmer, and then Future Absences from the list provided.

**For a single day absence, select 'By Enrolment'**

Select the date of the class that will be missed and check the relevant box before submitting.

**For multiple dates, select 'By Date'**

Acknowledge that the absence will span multiple days, and enter the relevant date range.

Press Submit. iClass Pro will establish all dates that classes will be missed.
